Greetings from Boone Memorial Hospital,

Just shy of 24 months ago we moved into our new 77,000 square foot hospital and began providing services to the residents of Boone, Lincoln and Logan Counties and surrounding areas.

Over the years, we have had the opportunity to witness countless moments in which the Boone Memorial Hospital staff, physicians and volunteers provided care, healing and encouragement to our patients and visitors. Our new facility allows us to continue this commitment to our patients.

The dedication of our team is a source of great pride for us, and serves as a daily inspiration as we plan for our future. Over the last 54 years, we have had the unique experience to watch Boone Memorial grow from 38 employees to a team of over 250.

We were fortunate to be able to build a new, modern, technologically advanced hospital that will serve this community well into the future. Just as Boone Memorial has supported this community for the last half-century, the community now has the opportunity to support the hospital to ensure it is fully equipped and ready for the future of healthcare. With your support we can make it happen.

Boone Memorial Hospital has always prided itself in treating each patient on a very personal level. In the new facility our reputation for treating patients like family and putting patient care first will hold true. The building itself may have changed but the same experienced staff and quality healthcare has remained.

We are currently planning our Annual BMH Golf Tournament scheduled for Friday, May 18, 2018. We are requesting your support by serving as a sponsor. Here you will find our golf sponsorship opportunities and registration form. Keep in mind we could also use items for our golf tournament goody bags and our silent auction, which will be held at a benefit dinner on the same day beginning at 6:30pm. We invite you to join us at both the golf tournament and dinner.

Thank you in advance for your consideration in supporting the Strong Foundation – Healthy Future campaign for the new Boone Memorial Hospital.

Best wishes,

Robert "Bob" Brown

BMH Board of Directors, President

Our growth has included surgical services, a Black Lung Center, Diabetic Education and Weight Loss Program and the opening of the Family Medical Center, located on the hospital campus.
