Giving Tree

GIVE THE GIFT OF LIFE

www.bmh.org

Giving Tree

The Giving Tree allows others the opportunity to provide a lasting tribute to:

- ◆ HONOR
- ◆ THANK
- ◆ MEMORIALIZE
- ◆ ACKNOWLEDGE

individuals, groups or organizations.

The Boone Memorial Hospital Giving Tree will be prominently displayed in the main lobby of the new hospital, across from the information desk.

The Tree ensures that a loved one or organization will exist in perpetuity with the lifetime of the Hospital. This gives a donor a lasting way of memorializing or honoring a special loved one or group.
